

**Happy New Year 2024**

## **GENESEE VALLEY WOODCARVERS**

The January newsletter will come out later this week. I wanted to get all the updates from the board meeting before I created the newsletter.

GVWC Board meeting Thursday, January 4 6:00 pm Calkins Road Wegmans  
At our December meeting, Mike invited anyone to the board meeting who wants to attend.

### **Monday, January 8, 2024 6:30 pm regular meeting at the 40/8 Club**

Updates from the board meeting followed by a "Carve In." Bring your carving stuff and a project to work on. Project ideas: comfort birds, bottle toppers or any other project you have in the works. Stuck on a project? Bring it to get help from the carving club brain trust.

Comfort bird collection: Bring your completed comfort birds Golisano Children's Hospital has requested more comfort birds both adult and child size.

Share your photos: Did you carve great gifts for Christmas? Send a photo to Susie by January 5 for inclusion in the gallery section of the newsletter.
