

Meeting Monday, September 12

Our **Second Annual Garage Sale**. Bring in anything you have no more use for or have too many of, or what ever, including tools, wood , paint, and related items even your grand children if you are up to it.. We plan to have some books and magazines from the club to auction, again. And don't forget to bring some money, there are bound to be some good deals to be had.

We will have the proposed slate of officers for the year, announcements related to the years programs, membership and finances.

Meeting Program for This Year

We have had a committee chaired by Don Buss that has been working hard to make the program for the upcoming year interesting and fun. There still are a few gaps but we have ideas for them and are now contacting prospective speakers. The tentative program is as follows:

September 12	Garage Sale
October 10	Peter Fedrigo, Dust and Dust Collection
November 14	
December 12	Pizza and Cookies, Slide show of Past Competitions
January 9	Winter Classes
January 23	Winter Classes
February 13	Habitat and Winter Classes
February 27	Winter Classes
March 12	What the Judges Look For and Winter Classes
March 26	Winter Classes
April 14	Annual Show and Competition
May 14	
June 11	Picnic and year end wrap up

This is a work in progress and there will be more forthcoming. Please contact Don if you have some suggestions. This is your club, please be involved.

Classes

Fred Fox will be having classes to carve and paint a stylized Tern sculpture.(This is a sleek looking bird attached to a rod from a base. \$80)

Rochester Museum & Science Center
7-9 PM Wednesdays for 8 classes.start 10-12-2011
