Interim President's Corner

Greetings,

To those who wondered, both John and I had negative COVID PCR tests. So yes, I should be at the October meeting. By all reports, the September meeting was a success with approximately 20 people attending. Three cheers to all for complying with the 40 & 8 Club's masking requirement. Thanks to Jeff, Jim, Tony, and Rob for taking the reins in my absence. Many ideas were put forth and discussed. Please remember to pay your annual dues to Jeff if you haven't done so already.

At the October meeting we'll have 3 X 5" cards available for you to put your ideas and suggestions in writing. The goal is to align club meetings with members' interests. The club plans to host winter classes in January, February, and March 2022. This can only happen if we have instructors. Please let me know if you are willing to lead a class.

Happy Fall,

I am in my usual fall scramble to get neglected garden chores done before winter. There weren't enough "Goldilocks days" this summer when I had time to in the garden. Carving and painting projects are on hold unless it is raining.

Please help the club and volunteer to teach a class or be an officer (VP or treasurer).

I am looking for feedback on the newsletter. Have you carved any of the projects I have sent out? Do you use the tips? Do you like seeing what other people have carved? Please email me your comments.

The newsletter deadline is: **October 26, 2021**

Happy carving,

Susie Nettleton, editor
